"The powers that be" certainly got in their work in the nomination of Bill Chatten for representative at the republican convention Saturday. The farmers had a candidate—or several of them—whom they wanted to represent them in the legislature. The informal ballot gave 91 votes for Chatten, 52 for W. H. Russell, of the south side, 27 for Stanley, Prindle the old soldier and farmer, and 11 for George Bicknell, farmer. On the first formal ballot, however, the hands of the fixers were shown unmasked when Chatten got 114, Russell 57 and Bicknell 10 (Prindle had withdrawn). The farmers who prefer one of them to represent them, instead of a banker, can give their support to J. F. Evans, however, and thus accomplish the desired result.

In the bills scattered on the streets, and the notices in their party papers, there was nothing to indicate that the special train to Herington Saturday was to be paid for by a collection taken up among the delegates and party friends. This was done, however, and we are told, \$75 was paid for the special train.

A Mr. Wilson, from somewhere in the east, was in the city Monday looking for traces of a man named Sheldon, who published a paper here in the early days. Sheldon's wife died here and he went to McPherson later and died there. Mr. Wilson is a relative of the dead man, and was trying to find what had become of him. Most of the old timers will remember Sheldon.

A marriage license was issued Monday evening to James W. Farber of Claflin and Elizabeth A. Pief of Hollyrood, Kans.

Dr. A. M. Sipes was able to walk around on the streets a little the past few days.

### M. N. IRELAND BADLY INJURED. Run Over By A Team Going To A Fire Monday Evening.

About 5:30 Monday evening the fire bell sounded an alarm. Mike Keenan, of the south side, was just ready to start home with a heavy lumber wagon and three horse team. He was told by a grocery clerk to "hurry to the hose house and take out a cart" and proceeded to whip up. As he came to the corner opposite the city building he thought the carts were still taken out on the east side, instead of going on west to the alley at the back of the hose house, he turned south at Klien's corner and ran over M. N. Ireland, who with others was standing on the crossing. Mr. Ireland was immediately taken to the hospital and his injuries attended to. One leg is badly crushed below the knee, and the man was otherwise bruised and cut badly by the horses' hoofs.

The fire was at Dock Lewis' home in the 2nd ward, and was put out before the hose was strung, with small damage.

The accident is a deplorable one. Mr. Ireland was through with his work here, and expected to leave in the morning for Kansas City, his home. He was one of the carpenters on the city building. He with others evidently thought the team would go on west, instead of turning.

**Byron Majors Married.**

The Port Townsend, Washington, Daily Call of August 4 has the following account of the wedding of B. C. Majors, in the early day a resident of Great Bend, and a brother of Mrs. S. B. Comfort of this county:

"Port Townsend was the scene of a wedding this week which carried with it more than ordinary interest to a large number of people. The ceremony was performed in the office of the county surveyor at the court house and the dignified officials who draw salaries from Jefferson county were the witnesses. The principals to the wedding were Mr. B. C. Majors, an engineer and surveyor of Everett and Mrs. Josephine Fitzsimmons of Chatanooga, Tenn."

**County Central Committee.**

Before final adjournment, Saturday, the republican convention delegates named the following county central committee:

Albion, M. J. Beers.  
Beaver—

Great Bend City—1st ward, W. F. Honnen; 2nd ward, J. H. Jenkinson; 3rd ward, C. S. Allison; 4th ward, Edward Chapman.

**Adams-Smith.**

Rev. W. L. Suherland performed the ceremony which united in wedlock Mrs. Nellie Smith and Mr. A. C. Adams, at the home of the bride's mother Mrs. Harmon, on Stone Street.

After the ceremony light refreshments were served to the guests. Mr. and Mrs. Adams left that evening for a short trip through the east, and after their return will be at home to their many friends at 922 Morton Street.

Miss Stella Roberts has resigned her position at the Riverside Laundry and is now attending the Great Bend Business College.

**This Mark Tells The Tale**

It speaks right out and tells the whole world that the groceries it marks are High Grade, Pure, Wholesome and never adulterated or misbranded.

You would not allow your family to use impure or adulterated foods if you knew it, but you have often depended on others to choose for you.

This mark protects you against imposition and makes you independent of others in selecting foods, for you can rest assured you have made the best selection if it bears the trade mark LEE.

The expression grocers hear most often is:

**"It's all right if it's Lee Brand."**

**LOCAL HAPPENINGS.**

Mrs. Julius Wilcons and mother were down from Galatia Monday.

Everett W. Strong left Tuesday for the Kansas University at Lawrence.

Dr. Ewing was down from Larned to look after his brother and to visit with his mother and numerous friends here.

Frank Millard, Jr., went out to the farm in Wheatland township Monday to look after the threshing of their wheat.

J. M. Lallicker, who drives one of S. A. Newcomb's coal wagons has a very sick baby the past few days.

Mrs. G. W. Moore of the south side, went to Hutchinson Monday, to take her baby there for treatment.

If you can't sleep good these nights, you have got something on your conscience—or too much on your stomach.

Miss Hazel Marsh left this morning for Hutchinson, Anthony and other points to spend a weeks vacation with friends and relatives.

J. W. Jacobs of Ewington, Illinois is here this week visiting W. B. Cornell and looking over western Kansas lands for investments.

Mrs. Ed. Hartman returned Sunday night from a visit to relatives at Turon, Kansas. Ed. went to Hutchinson Sunday, took in the ball game, met his wife and returned home with her that evening.

The white tiling in the front of the Citizens National Bank building is being put in place today, and it is going to make a fine looking building when it is completed.

Threshing operations are still somewhat delayed, the wheat in most cases being so damp that it is not in good shape to knock out properly and is not good to go on the market.

Mrs. Lillian Grimes (nee Cornell) came out from the east last week, and is visiting with old Great Bend friends. She is making her headquarters with Mrs. Anna Parker.

Some of our brother editors are already discarding those "mail order supplements." Good idea. Either do away with them or let your home advertiser in your columns free.

M. M. Eppstein is talking fish this morning. He went out to the Walnut Sun—the first of the week, and says he caught more fish than he knew what to do with. He is able to be at work today.

F. J. Bartels, E. N. Kimball and Cyrus Barrett drove out to the Pearl Gill farm, took dinner with Mr. Feaster and gathered a load of peaches and grapes Sunday. Incidentally they had a "hot time" but a most pleasant one.

Ira Wood, who was killed in the railroad wreck at Lewis, was formerly assistant postmaster at Larned.

Kourt and Louis Zutavern departed for Wichita Tuesday where they take up their studies in Fairmount College.

The Rush county papers report that Omer Young who killed Pettyjohn and Walker at McCracken recently, then shot himself, is getting well rapidly.

Otto Patton having received permission from his physician to eat anything he wants to, he and his wife have gone out in the country to George Johnsons for a week to fill up on yellow legged chickens.

Mrs. James Clayton left over the Missouri Pacific Tuesday morning on a visit for a month at Topeka and at St. Joe, Mo. Miss Eva Clayton left on the same train for Baker University, at Baldwin, Kansas, to continue her studies.

P. Coopridge, on West Forest avenue, is enjoying a visit from a couple of brothers. His brother Wesley and nephew Erwin Coopridge, from Clay City, Indiana and another brother Mathias Coopridge of McPherson arrived Monday evening. He had not seen his brother Wesley for seventeen years.

Dr. C. M. Mutz, now of Marysville, Kansas expects to locate in Great Bend in a short time for the practice of his profession. Dr. Mutz comes well recommended as a man and a physician, and will no doubt build up a good practice in this city.

**U. S. Government Report.**

Condition of Spring wheat at the time of harvest 83.4 per cent. Corn, July 1st, 1902; as against 88.1 August 1st 89.5 Sept. 1st, 1905; 84.6 Sept. 1st, 1904, and a ten year average of 81.9 per cent.

H. A. Jones the corn expert at Minneapolis, gives an estimate of 30,000,000 bushels, the greatest crop ever raised.

**In Memoriam.**

Martha Jane Gehre was born April 3rd 1843 near Frankfort, Ind., where she grew to womanhood. She was the youngest of twelve children. Five have preceded her to that better land. November 23, 1864, she was married to Franklin Harvey, eight children were born to their union. Slocum Harvey and Mrs. E. H. Griffith of Great Bend, Kansas, Mrs. C. J. Spiers, of Yates Center, Kans. David Harvey of Shelbyville, Ill. and a loving husband were at her side to minister to every need to the last moment at 9:45 p. m. Sept. 5th, 1906.

The family moved to Illinois in 1870, where they remained until 1898, when they removed to Great Bend, Kans. She professed faith in Christ while in her youth and united with the United Brethren church at Cunningham Chapel near her birth place. Since then she has tried by the help of God, in her quiet way to live true to her convictions as a believer in the Lord and said on her death bed "I am ready and am not afraid to die."

She was a faithful, devoted wife and mother and a friend to all. "Be thou faithful unto death and I will give thee a crown of life."

The funeral services were conducted by Rev. John Melmaker, of the Baptist church assisted by Elder Omer of the Christian church, from the late residence at 9 a. m. Sep. 7th, 1906, and interment in the Woodlawn Cemetery.

"A wife and mother from our home is gone,  
A voice we loved is stilled,  
A place is vacant in our home,  
Which never can be filled."

Miss Lennie Caraway, one of the teachers in Great Bend schools is at home suffering with a badly sprained ankle. She was instructing her pupils in marching when the accident occurred.

**FIFTY CENTS**

IN some conditions the gain from the use of Scott's Emulsion is very rapid. For this reason we put up a fifty-cent size, which is enough for an ordinary cough or cold or useful as a trial for babies and children. In other conditions the gain is slower—health cannot be built up in a day. In such cases Scott's Emulsion must be taken as nourishment; a food rather than a medicine. It's a food for tired and weak digestions.

**The Fuel Question**

Every one who has a house to heat is interested in any method to cut down fuel expenses, or to get more heat from the same amount of fuel.

**The Round Oak Furnace**

accomplishes this in four different ways, any one of which would make a very noticeable difference.

- 1st. There is no waste heat—all the heat furnished is sent into the house.
- 2nd. It will hold a uniform fire—low or raging hot—longer than any other.
- 3rd. It will keep the house warm all the time—never allowing it to become cold at night and so doubling its work the next day.
- 4th. It burns all the gases and smoke which is equivalent to more fuel.

Write for our free descriptive book "Warmth and Comfort." Heating plans furnished free of charge, giving proper location of furnace, of cold and warm air intakes, size of pipes and all details.
